

INSURANCE CERTIFICATE

INSURANCE FOR ACCURATE DAMAGE AND STATUTORY LIABILITY

This Work Equipment Rental Insurance is in the name of the policyholder: **JAVAC**

Who are the insured? The policyholder and **you**
(the lessee of the policyholder's insured objects).

What is insured, what is the insured period and observer The rented objects and the rental period are stated on the rental agreement between the insurance insured period and observer and the tenant. This insurance applies when used in the Benelux, France and Germany, **does the insurance apply?** and global coverage in case of offshore. Otherwise, the insurance does not provide coverage.

Which coverage applies? **Damage to the rented object (= Casco):** Material damage to the object due to a sudden and unexpected event beyond the control of the tenant, fire, theft, vandalism, traffic risks and damage due to the nature or defect of the object.

The rented object is a "motor vehicle": Damage caused by the object to another person according to the Dutch Motor Vehicle Liability Insurance Act (WAM) or the local corresponding foreign law.

What are the conditions of the insurance? The original terms and conditions of the aforementioned Work Equipment Rental Insurance.
This certificate is a summary of these conditions.
The tenant signs the rental agreement before the start of the rental.

What are your obligations? You report any damage TO the rented object or damage to another BY the rented object

_____ immediately and in writing to the lessor. _____

In the event of theft or vandalism, you must immediately report this to the police. You give the official report of the declaration to the landlord.

With every damage you cooperate in drawing up a damage report.

What is not insured or when are you not insured?

You do not meet the aforementioned obligations.

Damage to the rented object due to spraying of coatings or corrosive substances, among other things.

Damage if you do not follow the instructions for use and maintenance.

Damage due to intent, gross negligence or gross negligence.

Loss of the rented object or parts thereof.

Damage to your property or to the property of others under your control (oversight).

You rent out to others or lend to others, even though you do not have written permission from the landlord to do so.

Damage to the driver of the rented object.

What are the costs of the insurance and what is the deductible?

You pay a surcharge on the rental price for the costs of the insurance.

For each covered damage, you have to pay an excess of: Replacement value of

the object up to EUR 10,000.00 • 10% of the damage amount with

a minimum of EUR 1,250.00 in the event of theft • EUR 500.00 for other hull damage. • **The deductible is never higher than Javac's**

replacement value of the object.

Replacement value of the object from EUR 10,000.00 to EUR 50,000.00 • 10% of the
damage amount with a minimum of EUR 1,500.00 in the event of theft • EUR 1,000.00 for other hull damage.

Replacement value of the object of EUR 50,000 or more • 10% of the

damage amount with a minimum of EUR 2,500.00 in the event of theft. • EUR 2,000.00 for other hull damage.

In case of liability damage • EUR

500.00 for all other damage.

What are your other rights? This insurance certificate is an extract of the conditions of the said and obligations?

Equipment rental insurance. In the event of a lack of clarity or in the event of a dispute, the original terms and conditions of this Work Equipment Rental Insurance will apply.
